

CINERGY T Stick Mini

Mini DVB-T-Receiver

- USB 2.0 DVB-T tuner (DTT, Freeview)
 - Digital video recorder
 - Includes remote control and antenna
- Incl. TerraTec Home Cinema Basic software:
- Direct recording
 - Teletext, Time-shifting TV programs
 - Automatic wake-up and shutdown (standby, idle state)

Cinergy T Stick Mini

Simply plug the Cinergy T Stick Mini into a USB port on your computer, install the TerraTec Home Cinema Basic TV software provided, and just like that, the world of mobile TV is open to you. The Cinergy T Stick Mini includes everything you need to turn your laptop, netbook or desktop computer into a television with built-in video recorder and many other functions - a mini telescopic antenna for mobile DVB-T reception is included. No batteries required.

Watch TV everywhere

Along with your laptop or netbook, the Cinergy T Stick Mini opens up completely new opportunities. No matter if you want to see the latest stock exchange news at work, watch a current series with friends in your garden or watch a football game in the park after kicking a ball around with the lads—you can now do all of this very easily. The Cinergy T Stick Mini is half the size as a USB stick and comes with everything you need for mobile DVB-T reception. Nothing stands in the way of ultra-mobile television reception in all DVB-T reception zones anymore. Of course, you can also simply plug the Cinergy T Stick Mini into your desktop computer – in no time at all, you have a second TV in your home.

Recording on hard drive and timeshifting TV programs

The TerraTec Home Cinema Basic software provided turns television on the computer into an experience. You can easily record the program that is in progress to your computer's hard drive, and can later burn all episodes of your favourite series to a DVD. Timeshifting is very useful indeed. If your Sunday mystery has already begun and the pizza delivery man rings the doorbell, simply pause the program that is in progress at the touch of a button – and, after the interruption, pick up right where you left off! The built-in electronic program guide (EPG) and the familiar teletext make personal TV planning easier than ever.

CINERGY T Stick Mini

Technical Details

Features

- Plug'n'Play
- Voltage: 5V DC (USB bus powered)
- Current: 480mA
- Housing Color: white
- Dimensions: 35 x 8 x 14 mm (width x height x depth)
